1ST GRADE	2ND GRADE	PREK & KINDERGARTEN	1ST GRADE	2ND GRADE
LIVING THINGS	FORCE & MOTION - SIMPLE MACHINES	LIFE CYCLES OF PLANTS/TREES	LIVING THINGS	FORCE & MOTION - SIMPLE MACHINES
HERO ELEMENTARY When a tree falls in the schoolyard, our heroes try to find a new home for a chipmunk. But, what kind of home--or habitat--does a chipmunk need? Sparks' Crew will figure it out, one way or another!	SID THE SCIENCE KID Sid wonders how he can lift his heavy box of toys way up to his treehouse. After investigating at school, Sid discovers that a pulley is the perfect simple machine to help lift heavy things.	CYBERCHASE The citizens of Factoria have been put back to work at a toy factory where they get free meals. The problem? The benefactor is none other than Hacker, and the meals all come from vending machines. To get the Factorians out of Hacker's clutches, the CyberSquad must show them how to grow their own food. Can they put Hacker out of business for good?	CAT IN THE HAT KNOWS A LOT ABOUT THAT! Sally wants to water the plants in her backyard, but it's hot and sunny outside. They need rain. They explore each level of the rain forest, eventually reaching the top and the rain!	CAT IN THE HAT KNOWS A LOT ABOUT THAT! Sally, Nick and the Cat are trying to fly a kite, but there's not enough wind. The Cat in the Hat takes them to Huff-Puff-Maguff where there's so much wind, they lose their kite! They chase the kite, using the wind to help them. When they finally reach it, the breeze helps to cool them down!
CAT IN THE HAT KNOWS A LOT ABOUT THAT! Nick wonders what it would be like to stay up in that tree all the time! In Jimmer Jammer Jungle, the kids learn how different animals spend their entire lives in trees. Nick and Sally are playing hide and go seek. The Cat takes the kids to meet the best hider ever, his friend Gecko! The kids learn how Gecko not only hides, but how he runs and climbs.	HERO ELEMENTARY Sparks' Crew chases a giant ball through Citytown. To save the day, the team uses hands-on investigation and learn that pushing an object can start or stop its movement.	READY JET GO! Jet attempts to grow a seed from his home planet, but the light from our Sun is stronger than the light from Bortron 7, and has a surprising effect on the plant!	SID THE SCIENCE KID Sid wonders why there aren't any birds living in the birdhouse he built with his Dad? Sid and his friends discover that lots of animals build and live in their own homes, like beehives, anthills, and bird nests!	SID THE SCIENCE KID Sid pretends that his stuffed animal panda is going on an adventure to the top of the playground slide. Sid and his friends make a plan and use simple machines like wheels, inclined planes, levers and pulleys to get the panda all the way to the top of the slide.
