

## Program Grid • July 4, 2022 - July 29, 2022

Check your local TV listings to find the channel for your local PBS KIDS station.

Working with the [Pennsylvania Department of Education](#), we have created [Your Learning Neighborhood](#), your connection to thousands of hours of educational and entertaining programs, videos, activities, events and games to support your learner at home, at school, and in your community.

As part of *Your Learning Neighborhood*, your seven PBS stations across the state (collectively known as Pennsylvania PBS) are providing on-air broadcasts of educational programs to support your learner's educational, social and developmental goals. Programming is color-coded by PBS KIDS Learning Goals so that you can easily find the program that's right for your child/student. We are also sharing events and resources to engage your child and family wherever you are in Your Learning Neighborhood.
