Join us for a lively discussion on making our streets safer.

Are you concerned about the safety of our streets in South Philadelphia?

Do you wish you could bike and walk more in South Philadelphia?

Do you commute by automobile, transit or bicycle to Center City?

The Bicycle Coalition of Greater Philadelphia has partnered with The Community Design Collaborative to look at innovative ways to make the streets more bicycle and pedestrian friendly. Come join us and give us your perspective on what works and what needs work regarding safe streets in South Philadelphia. Contact: [susan @bicyclecoalition.org](mailto:susan@bicyclecoalition.org)
