Re: AP 2009-0938 and AP 2009-0955

Dear Mr. Byerly,

I am writing to respectfully request that my appeal (AP 2009-0938) be consolidated with the appeal of the Chinatown Preservation Alliance (AP 2009-0955). Both of the underlying requests sought the same information from the Pennsylvania Gaming Control Board (PGCB), both requests received similar denials and the issues in the appeal are similar if not identical.

I note that, on November 12, 2009, Adam Cutler, Esquire, counsel for the Chinatown Preservation Alliance, wrote to Appeals Office Buglione making the same request for consolidation. Also, we contacted Denise Miller-Tshudy, Esquire, counsel for the PGCB, and she agrees that consolidation would be helpful (she consents to this request).

Please note that I agree to extend the PGCB's time to respond to the appeals until Friday, November 30, 2009. Also please note that I would be agreeable to any reasonable extension of your office's obligation to issue a Final Determination so as to enable the consolidated appeals to be on the same schedule.

If you wish, you may feel free to contact me to discuss this matter. Thank you.

Respectfully,

Paul Boni
